TOUGHNESS

BY L. RON HUBBARD

Toughness is high on the scale.

At upper levels in Scientology we find ourselves unable to handle one area and so instead of doing the natural thing and reducing the area we are trying to handle, we just double the size of the area. That's the way theta* works.

How many times in your life have you decided: "Well let's see, I couldn't handle so and so. I guess I'd better handle just a little bit less." And the first thing you knew you couldn't even handle that.

What if you had said, "All right. Now let's see. I don't seem to be able to do this. Well, where's two of them?"

I recommend it to you very thoroughly. You can't handle something, *you say*, Find a couple of tougher ones.

The point is that you go in reverse. You've decided already long time since that it was rough handling a MEST* body. A pre-OT* who's fairly convinced that it's tough gets kind of anxious about handling this body. He knows he can do only one thing at once. He knows this. He knows it completely.

Let him go down the street and work two bodies at once.

"Oh no," you could say, "No, this isn't the right road out. This couldn't be. That's just more quantity. That's . . ."

I'm afraid that this *is* the road out.

The job gets tougher as you move up the line to higher levels. Fortunately, I've designed it so that each new level is attainable for most.

The thing to do is keep moving over the bridge, keep working on the next level, and soon you'll be on the other side.

I'll see you then.

- *Theta: Energy peculiar to life or a thetan; life force, Spiritual energy.
- Thetan: (The Greek symbol for "thought" or perhaps "spirit".) The person himself not his body or mind; the identity that IS the individual.
- *Mest: A word coined from the initial letters of Matter, Energy, Space and Time which are the component parts of the physical universe.
- *Pre-OT: A Clear who has not yet progressed to full OT.
- OT (Operating Thetan): A Clear who has been familiarized with his environment to a point of total cause over matter, energy, space, time and thought and who is not in a body.
- Clear: A being who is at cause, knowingly and at will, over mental matter, energy, space and time as regards the first dynamic (survival for self).

FIRST FULL CLASS VIII'S

ON JUNE 7th, 1969 AT THE ADVANCED ORGANIZATION OF LOS ANGELES, LOY COMBS AND FRANK FREEDMAN, SEA ORG MEMBERS, WERE ANNOUNCED AS THE FIRST FULL CLASS VIII AUDITORS BY HANA ELTRINGHAM, 2nd DEPUTY COMMODORE. LOY AND FRANK WERE BOTH LONG-TIME AOLA STAFF MEMBERS.

After the announcement, Frank and Loy left on an Inspection Tour around the U.S. to validate those Class VIII's producing 100% Standard Tech and award Full Class VIII status to those Class VIII's who have produced 100% Standard Tech for a minimum of 6 months.

Frank and Loy present Joy Walters of Orange County Scientology with a letter announcing her as a Full Class VIII Auditor at the Tustin, Calif. Franchise.

When an individual completes the Class VIII Course he is given a Provisional (temporary) Class VIII Certificate.

After 6 months as a Provisional Class VIII an inspection is made of his work as a Class VIII by Full Sea Org Class VIII Auditors. If the Inspection shows the individual has been producing 100% Standard Tech, he or she is awarded the certificate of Full Class VIII Auditor. If the Inspection reveals a Provisional VIII is not producing 100% Standard Tech his Provisional Certificate is withdrawn until he completes his re-training on the Class VIII Course.
